

CABINET HARDWARE SYSTEMS

CABLE MANAGEMENT

ARTIA CABINET HARDWARE SYSTEMS' BRANCH NETWORK

The Artia Cabinet Hardware Systems network has seven branches spanning both Australia and New Zealand. This allows us to offer an extensive range of products as well as expert advice and service to manufacturers and suppliers involved in the cabinet and furniture industries.

Our Customer Service teams are available to take your orders and answer your queries in Australia on 1800 008 591 or New Zealand on 0800 267 625 (both numbers are toll free), or visit www.artia.com.au or www.artia.co.nz

Satin black

Satin chrome

Brushed nickel

Polished chrome

Cover positions:

For optimum cable guidance, the cover on EXIT R cable outlets can be safely locked into four positions.

1. Choose desired position

2. Insert cover

3. Clockwise turn to lock-in position

Suitable for vertical installation:

The cover is securely locked in to prevent accidental dislodging. It won't be unlocked, even by strong or large diameter cables.
